## FEMA 90-Day Appeal & Comment Period

### THE FEMA APPEAL & COMMENT PROCESS

FEMA requires a 90-day public Appeal & Comment Period for proposed Flood Insurance Rate Map changes. Public review of proposed Flood Insurance Rate Map changes is an important part of the map update process because it ensures that map data is as accurate as possible.

#### APPEALS

An Appeal is a technical issue with a Preliminary Flood Insurance Rate Map. Some common types of Appeals include a flood elevation objection or a dispute with the delineation of a floodplain boundary.

Appeals require supporting documentation such as a topographic map, engineering study, photographs, etc. Visit [www.fema.gov](http://www.fema.gov) and search "Criteria for Appeals of Flood Insurance Rate Maps" for more information about Appeals.

#### COMMENTS

A Comment is map error found on a Preliminary Flood Insurance Rate Map. Some common types of Comments include the correction of a street name, town limit boundary, etc. Comments do not generally require supporting documentation.

FEMA's 90-Day Appeal & Comment Period is begins July 29, 2022-October 29, 2022.

If you have an Appeal or Comment, the County and Town encourage you to begin organizing materials early so that you are prepared for the 90-Day Appeal & Comment Period.
